

**Jason:** Welcome to our store. You must be the new employee. I'm Jason, the produce manager.

**Sarah:** Hi, yes I'm the new produce clerk. My name is Sarah. I'm very excited to start working here.

**Jason:** Nice to meet you Sarah. Let's get started with a tour of the department. We have a wide variety of fruits and vegetables that we sell here. For example, there is some fresh broccoli, lettuce, and cucumber over here in the green section.

**Sarah:** Oh, those look really good. Is there any fruit in the green section?

**Jason:** Well, there are some delicious fruits like apples, bananas, and oranges in the yellow section. There is also a new shipment of sweet cherries and strawberries, so make sure to keep an eye on those.

**Sarah:** That's a lot to remember, but I'll do my best. Are there any coconuts?

**Jason:** No, there aren't any coconuts this week. But there are some other tropical fruits like pineapple and watermelon. People love them during the summer months. Do you want try some watermelon?

**Sarah:** I sure do, it looks delicious. And what about the vegetables? I see some potatoes and onions, but what else?

**Jason:** We also have some corn, mushrooms, and peppers. And of course, we can't forget about the classic tomato.

**Sarah:** Right, of course. Thanks for showing me everything, it's a lot to take in but I think I'll get the hang of it soon.
